# Organic Production of **CABBAGE** in the Highlands

Department of Science and Technology (DOST)  
**Philippine Council for Agriculture, Aquatic and Natural Resources  
Research and Development (PCAARRD)**

# TABLE OF CONTENTS

---

Preface .....	iii
Acknowledgment .....	iv
Organic Production of Cabbage in the Highlands .....	1
Uses and Nutritional Value .....	1
Varieties .....	1
Soil and Climate Requirements.....	3
Land Preparation .....	4
Seedling Establishment .....	4
Care of Seedlings .....	4
Preparation of Liquid <i>Trichoderma koningii</i> and its Application in Seed Beds and Field Plots.....	4
Transplanting.....	6
Production of Compost.....	6
Steps in Producing Compost .....	8
Production of Organic Plant Supplement.....	10
Application of Compost and Organic Plant Supplement.....	11
Irrigation.....	12
Weeding.....	12
Insect Pest and Disease Management.....	13
Management Options for Insect Pests of Cabbage.....	13
Management Options for Major Diseases of Cabbage .....	21
Harvesting.....	27
Cost and Return .....	27
References.....	29
