List of tables and figures	iv
List of acronyms	vii
Abstract	xi
Introduction	1
Background of the study	1
Objectives of the study	2
MVUC in the Philippines	5
MVUC in a nutshell	5
Implementation objectives	7
Key agencies involved	11
Process evaluation	21
Key processes	21
Key findings from the process evaluation	27
Case studies	36
SRSF case study 1: Upgrading of road shoulder along Marcos Highway	36
SRSF case study 2: National Road Lighting Program in Roxas Boulevard (Vito Cruz Street to P. Burgos Street)	43
SLRF case study: Baguio City	46
SRSaF case study: Installation of road safety devices along Daang Maharlika	51
SVP/PCF case study: Motor Vehicle Inspection System- NCR North	61
Key findings from the case studies	75
International experience with road funds	77
New Zealand Road Fund	80
United States Federal Highway Trust Fund	82
Japan Road Improvement Special Account	84
Community involvement in the maintenance of infrastructure	85
Experiences in other countries	86
Experiences in the Philippines	88
Recommendations	90
Collection and deposit of MVUC monies	91
Project identification and prioritization	91

Monitoring	93
Institutional reforms	94
Increase in rates	97
Appendix A: Proposed work flow for project identification and development under the SVPCF funding	98
